Experience:

NBC News – Business and Data Reporter – [New York, NY] Sept. 2022 – Present

- Cover the economy and markets across NBC's digital platforms (NBCNews.com and NBC News Now) as well as its broadcast channels (NBC, MSNBC)

Yahoo Finance – Anchor/Reporter – [New York, NY] Oct. 2018 – Sept. 2022

- Wrote stories and contributed on-air reporting focused on the Federal Reserve, economics, and banking (original reporting cited in The Wall Street Journal, The New York Times, The Washington Post, CNBC, AP, Politico, Reuters, Bloomberg)
- Hosted 11am - 12pm live markets coverage, as well as award-winning "Yahoo U" series breaking down financial terminology

S&P Global Market Intelligence – Reporter – [Arlington, VA] Sept. 2016 – Sept. 2018

- Covered the bank regulators, lobbying groups and policymakers as S&P Global's lead U.S. banking policy reporter
- Used S&P Global Market Intelligence data and interviews with sources to piece together in-depth "Data Dispatches" explaining trends in the banking industry

Federal Reserve Board – Financial Systems Analyst – [Washington, DC] June 2015 – Aug. 2016

- Conducted research of trends in domestic lending activity, asset-backed securities, and liquidity risk to help economists and financial analysts conduct monetary policy and supervisory activity
- Used technical tools like Excel, SAS, and SQL to process and analyze bank credit and liquidity data

Education:

Johns Hopkins University – [Washington, DC] May 2021
M.S. Applied Economics

Syracuse University – [Syracuse, NY] May 2015
B.S. Finance, Broadcast and Digital Journalism; Minor: Chinese Studies

Scholarships/Awards:
